The members of the Dixon Municipal Band are in the process of getting ready for the upcoming 2018 summer season. The Dixon Municipal Band has been a staple of Dixon summers and parades for over 85 years and is recognized as one of the best summer bands in the area. People from surrounding communities have come for many years to enjoy the music along the riverfront and to see the band in the local parades.

The objective of the Dixon Municipal Band is to provide a venue that promotes the musical development of the musicians in the band and to provide a positive listening experience for members of the audience. The Dixon Municipal Band is asking for your support by becoming a band sponsor. We offer several levels of sponsorship that are designed to not only support the band but to provide your business exposure on different advertising platforms and exclusive sponsor benefits for you and your employees. Please see the attached page for details.

The City of Dixon like many governmental entities is experiencing financial tightening of the belt. One of the tough choices being made by the City is to no longer fund the Band as fully as in the past. Our goal is to become more self-sufficient in order to provide a fully programmed summer season without relying solely on City funding. Your contribution will make a difference!

Please consider helping the Dixon Municipal Band remain an important part of the Dixon community by becoming a sponsor of the Band. If you need further information or wish to contribute please call Mark Dempsey, band director at (217) 853-6840 or Cathy James, band manager at (815) 499-9426.
